

HUBBUB Project Showcase

HUBBUB #4 will take place online on April 29th 2021. Please save the date in your calendar, and invite your peers and colleagues to help us celebrate some of the most exciting CityStudio projects from this term!

What to expect:

Schedule

- **09:30 AM** Helpers will be online to support any login or technical challenges.
- **10:00 AM** HUBBUB Launch session: Hear from partners about this term's collaborations.
- **10:15 AM** Showcase - explore the project booths and talk to students in real time!
- **11:45 AM** HUBBUB Wrap-up session: Vote for your favourite projects! The Panel of Judges will announce the winning teams.

Event Features

- **Sessions:** Set programming at the beginning and end of the event. Click "Sessions" then select a session to join (Launch Session, Land Acknowledgement, Tutorial, Wrap-Up Session).
- **Showcase:** Tradeshow-style opportunity to browse the virtual project booths at your leisure, watch pre-recorded student pitches, explore project deliverables and meet students via chat and video call. Click "Showcase" and scroll down to discover all the projects.
- **Inspiration Station:** Share your ideas for future CityStudio collaborations!
- **Networking:** Would you like to connect with someone? Search for them in the Networking directory and send them a private message. You can also join a networking "Group" to chat about a specific topic, such as what it is like to be a CityStudio partner.

Important Logistics

- Make sure to access Pheedloop using a **modern browser and a high-speed internet connection**. Google Chrome is recommended, but Mozilla Firefox, Apple Safari, and Microsoft Edge should also work. Please join us from a desktop or laptop computer to participate fully in the experience.
- **We will be taking photographs** throughout the event to share on social media. If you do not wish to be in photographs, please do not activate your camera while visiting showcase booths on Zoom. If you have any questions about this, contact adeletherias@capilano.ca
- **Accessibility settings**, including font, colour, and more, can be set by clicking the "Person" icon in the top right corner of the Pheedloop platform.

Next steps: Complete your Attendee Profile

1. Log in to the platform using the credentials you will receive via email.
2. On the left side of your screen, click "**Account**"
3. **Change your password** (this is an absolute must to avoid being locked out)
4. Add as much information to your profile as you wish: preferred pronouns, organization, title, profile picture, "about me" description and your LinkedIn profile to help attendees stay in touch with you.
5. Explore the platform to become familiar with it. Projects will be posted on the day of the Launch session.

We can't wait to connect with you!
